Dear Parents and Carers

Parent Survey about Remote learning and Support

Since the start of term, we have worked hard to provide remote learning and support for our children. Over the past few weeks we have refined our offer based on informal feedback and evaluating what has been working and what could be improved. Some of the changes have been:

- ✓ Starting Google Meet sessions for the children every week
- ✓ Providing three recorded lessons every day for the children (Maths, Reading / Phonics and English)
- ✓ Using a new app (Mote) to provide the children with verbal feedback on their work
- ✓ Implementing 'Wellbeing Wednesdays' where tasks set are more creative and are offscreen
- ✓ Holding 'Virtual Visit' days
- ✓ Introducing a daily online register for the children
- ✓ Starting a reward system to motivate and encourage the children to complete their daily work as much as possible

As we reach the end of the half term, I would very much **welcome your feedback on our remote learning provision and wider support** so that we can celebrate what is working well and also continue to improve what we are providing during lockdown.

Please could you take 5 minutes to **complete this short and simple online survey** to give us your views – even if you only have positive things to say, we would still appreciate you completing it by Monday 15th February at the latest. **Please click on the link below:**

Thank you for all your hard work and support this half term. Have a safe and happy half term.

Yours faithfully

Mr A Dickinson
Head Teacher
