Uplands Manor is a vibrant and large primary school in Smethwick, with a thriving nursery and a specialist SEND Unit for children with severe learning difficulties from across Sandwell LA. The successful candidate will be able to demonstrate:

- a proven ability to inspire others through outstanding leadership skills, enabling everyone to achieve their best;
- a clear understanding of the use of current data and its importance in school self-evaluation, improvement and development;
- responsibility for school performance with a clear focus on teaching and learning and pupil achievement;
- outstanding communication skills;
- strong interpersonal skills;
- strategic thinking;
- high expectations of children's achievements and a dedication to improving life opportunities for children; and
- a track record of working in partnership to motivate and inspire the whole school community.

In return, we our school can offer you:

- A competitive salary;
- the opportunity to make a difference in a diverse and inclusive school community;
- a strong and supportive leadership team (including your own PA) and governing body, who will work with you to achieve the best;
- a commitment to your professional development; and
- a warm and welcoming community of children, parents, staff and governors.
